USE OF RANGES

Shooters are welcome to use ranges during Saturday matches under the direction of the range officer in charge of the scheduled match. You are responsible for checking in with the officiating range officer prior to shooting. Additionally, if you arrive at the club to use a range and find that a club volunteer is mowing or performing grounds maintenance, please do not assume that you will not be able to use the range. Please communicate with the person who is working to see how long the range will be closed. Every effort will be made to accommodate you.

SCHOLARSHIP PROGRAM

We are currently in the planning stages of a scholarship program to be offered to club members' immediate family members who will be pursuing outdoor-related studies. Applicants will be required to complete a written application as well as participate in a personal interview. Please watch upcoming newsletters and the web site for further details as they become available.

REGULARLY-SCHEDULED WORK PARTIES

We will be holding work parties at the club every first Saturday of the month beginning February 2nd. Breakfast will be served at 7 a.m. Work parties will be held regardless of weather as there is plenty of work to be done inside as well as out. For the February 2nd work party, we need carpenter tools, and will be painting and cutting firewood.
