## RANGE INFORMATION

Efforts to improve and preserve our ranges continue. The roof project is ongoing and we will soon have targets specifically for shotgun use.

Here are a few reminders for your safety and that of your fellow shooters:

- Please stay on the roads if you drive out to the long ranges
- Clean up after yourself by removing all targets when you are finished and dispose of any trash.
- Coordinate target posting with all other range users.
- Lights must be used when anyone is down range and all ranges are closed when lights are on.

**\*\*REMEMBER, SAFETY FIRST!!!**
