Board of Directors  
August 8, 2023

Items discussed-

Darrell is to order the three tents for the June 2024 drawing.

Decide if an ATV will be a prize next year.

Grand prize will be \$10,000.00 there or \$7,500 after 5 minutes.

Budget for guns \$28,000.00

ATV-- \$8,600.00

Holders from the fair- winning numbers were posted on the website, only one has been claimed. They have till the end of August to claim.

Snoke's Excavating is finished. Thanks to Jerrid, Jerry, Harold and Bob McClure for their help.

Yellow gate can now be closed and locked. Harold will do it.

Work on long range so it doesn't wash away.(matting and seeding)

Paint a handicap parking space at the short range.

The existing water line is only 2.5 feet underground, leave it be or dig a ditch and place it 4 feet down.

Will need to plan on how it will be done.

Put a frost-free hydrant at the cooking area while the water line is being put deeper.

Tack up rain gutter at the long range.

Put down macadam slab in the cooking area.

Put up a metal roof over the cooking area. Add more cookers.

It was reported that some pole lights were not working Monday night. Will be checked tonight.

Jarrid is to get measurements and cost to replace the roof on the short range.

The backer boards for 200 yard range holders still need to be replaced. We have the materials.

M-S-P to adjourn
