Andy stated that the Chief of staff for the US Volunteer Reserve Corps has change the directive for what they are to do. The corps is to only rescue animals and children and not help in any other way. Andy thanks the club for their donation but it will not be going to the US Volunteer Reserve Corps and he will return the check to the club plus the other donation that he received. Some of the former members of the corps about 120 will be forming their own 501-c and will possibly be called Vets and Volunteers Attending Disasters. It was suggested that he find some group in North Carolina to donate the money to.
M-S-P that he will donate the money to a group in NC that can use it.

This has been brought up before.
The buildings must be numbered and a sign at the entrance that has the 4498 location on it.
Andy Spotts said he will take care of it.
