June Drawing everything is on track for the day. Gambling will need help from 10 to 4 even if you can only help for an hour or two. There are 5 vehicles available to bring guests from the parking area. At this time more drivers could be used. There are 5 available to help with parking could use a few more helpers. Mike is to check the club 4wheeler to make sure it ready for use.

New-

Finance committee- Mike has suggested getting a 4 ft. brush cutter to put on the front of the new tractor. Cost is \$4,700 for the mower and \$1,900 for the hose kit to hook it to the tractor plus tax. The finance committee approved and sent it to the general meeting for discussion. A vote will be held at the Board of Directors meeting.

All expenditures or improvements of over \$5,000 will go first to the finance committee to check the finance situation, then sent to the general membership for discussion and a vote on it. If approved it will go to the Board of Directors for approval. If there is a problem once it has been voted on there will be no further discussion.

The next Finance committee meeting will be in September.

Should the shrubbery be trimmed and the area edge be mulched and edged before the June drawing. Can be done for \$1,800 and possibly be done this Friday. Was present to the general membership and was approved and will be sent to the Board of Director for final approval.
